Pneumatic canvas stretcher "Tendy" € 2.800 Code T150

It is used to apply canvases to stretcher frame.
The pneumatic staples are applied by the Omer80.16 with long nozzle.
They can be fixed both on the back and the border of the frame.
The machine can work with any kind of frame. Maximum size of the stretcher frames: 150x150 cm
It is supplied in separate parts to be easily assembled.
